### **4C Oscar Ng**

#### **The one place I want to visit with my Time Machine**

If I had a time machine, I would like to go back to Ireland around 5<sup>th</sup> and 6<sup>th</sup> centuries AD. I would like to see a gorgeous king called King Arthur Pendragon.

#### **Why I want to go to that place in time**

I have always been interested in the history of Ireland and I think it would be amazing to see the life of King Arthur Pendragon. I heard that he wanted to build a Utopia and I know he was looking for The Holy Grail when he was old. It was because he pursued an everlasting life. Moreover, I want to visit the famous Lake of the Lady. Was it just a legend? I'd like to find out the answer. It would be interesting to experience the lifestyle at that time.

#### **What historical figure I want to meet**

The historical figure I want to meet is King Arthur Pendragon. I deeply admire him because he was a great king and he was really kind to his people. He respected women and his friends. I would also tell him his adulterine child, Mordred, wanted to seize his throne.

#### **I want to meet King Arthur when he was younger.**

I would travel back to that time when King Arthur put out the Caliburn from the rock. I would be excited to witness this moment and asked him if I could take a selfie with him. Then I would like to visit his friends, The Knights of the Round Table, and take selfies with them.
