B. Basic information

1. Genre: Animated action comedy

C. Synopsis

The story is set in the Valley of Peace, a fictional land in ancient China inhabited by anthropomorphic animals. Po, a giant panda, is a kung fu fanatic who idolizes other kung fu masters every now and then. Po then is chosen to be the dragon warrior and is destined to face Tai Lung, a snow leopard who has mastered every kung fu move ever known. Will Po be able to stop Tai Lung from destroying the Valley?

D. Opinion

In my opinion, this movie is light and goofy, yet the fighting scenes, which are the heart of this movie, are surprisingly insane. Although it is set in ancient China, it is not an instant classic. Rather it is imaginatively drawn, full of charming and unique characters, alive with action sequences and blissfully free of the snickering scatology and is equipped with endless pop-culture reference. No doubt, it is one of the top grossing films of all times.

E. Recommendation

I highly recommend this film as it is suitable for all age groups, and is capable of calming you down. Overall, this animated action comedy is definitely worth seeing.
