

Secondary School Life

By Manmeet Kaur (1B)

I started attending my new school a month ago. The school's name is Buddhist Wong Fung Ling College. It is in Causeway Bay. It has a big campus with many different kinds of facilities. I go to school every day by bus. I am in class 1B. My class teachers are Mr. Lee Wai Man and Ms Scarlet Lam. Ms Lam also teaches me I.H.

My favourite subjects are English and Chinese because I find them interesting and fun. My

favourite teacher is my English teacher Miss Chow, because she makes lessons fun and interesting. I have many favourite classmates. We usually play together and go to the tuck shop during recess. I like going to the tuck shop because it sells lots of delicious food.

Recently we had a class party to celebrate our victory at the sports day. There was a lot of food and we had so much fun! I really enjoy going to school this year. I plan on getting good marks in most of my subjects.
