"With the amount of time and dedication sport requires, I have always found it challenging to balance the training and competitions with my studies. Great thanks for the tremendous support from HKU and the TADAS scheme, I now have the opportunity to **pursue both my sporting and academic goals simultaneously.**"

"It is my honour to study at HKU. I'm so grateful for the support from TADAS which allows me to have a dual career development in sports and academics. Because of its flexible learning arrangements and rich resources, I can continue with my intensive training and participate in overseas competitions. More importantly, I can **strive for excellence to win glory for Hong Kong.**"
