Details of the School Information Day and Fung Ling News Update

Dear Parents/Guardians,

To share with others the learning outcome of our students, the school is going to organize the Information Day on the 19th November, 2016 (Saturday). With technology education being the central theme, the one-day event will be divided into morning (9:00 a.m. to 12:00 pm) and afternoon (1:30 p.m. to 4:30 p.m.) sessions, which include a series of activities such as Campus TV (aerial photography), 3D Printing Workshop, Fast and Furious AWD, Robot Workshop, as well as student performances from Speech Team, Chinese and Symphonic Orchestra. Game booths will also be set up and prizes will be given out. Visitors may also join the student-led School Tour to know more about the unique features and development plan of the school. All activities are free of charge.

We cordially invite you to join our Information Day with your friends and relatives. Please return the duly signed reply slip to the class teacher together with the attached application form on or before 9th November. You can find more information on the school website by scanning the QR code below. Please contact Ms. Kayani Sadiqa at 2577 9485 or 5106 5599 should you have any enquiries.

With regards to the preparation for the School Information Day, the lesson timetable for 18th November (Friday) will be adjusted. The school is scheduled to finish at 12:55 p.m., leaving the afternoon session for rehearsals of student performances. Student performers and helpers will be notified of the details later.

The previous school year has been fruitful a year, with our students' wonderful accomplishments in both academic and extra-curricular endeavours. The school has recently compiled an updated bulletin to outline their major achievements. Please visit the school website for more details.

We would like to extend our heartfelt congratulations to all our students, and we hope they would continue to scale for heights and actualize Fung Ling spirits.

Mr. LEE Wai-Shing
(Principal)
