

News Update

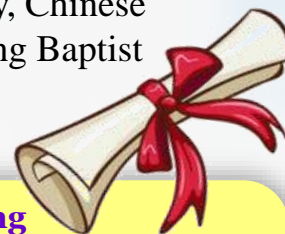

◀ ◀ Encouraging 2016 DSE Results ▶ ▶

The school was ranked **top 25%** in 3 categories of 2016 DSE results as compared to other schools in the entire HK territory, from the same district and of similar banding, namely individual students' results, overall results of 4 core subjects (Chinese Language, English Language, Mathematics and Liberal Studies), as well as 5 best subjects in SVAIS (Schools Value-added Information System analysis) issued by Education Bureau. Our students were admitted to various universities like University of Hong Kong, Hong Kong University of Science and Technology, Chinese University of Hong Kong, Hong Kong City University, Hong Kong Baptist University, etc, to name just a few.

Ian Poon Kai Chung

He got 1 level 5**, 1 level 5*, 3 level 5s, 1 level 4 and 1 level 3 in 7 subjects with a total score of 35 points, and is now pursuing his undergraduate degree of Engineering with University of Hong Kong.

Christopher Kam Ka Ho

He was admitted by California College of the Arts, one of the top 10 Arts University of US in 2016 with a scholarship of HK\$250,000 in recognition of his distinguished potential and accomplishments. Christopher was also awarded Wanchai Outstanding Youth

▶ Favourable Comments and Recognition from External School Review Report 2015 ◀

- In short, teacher-student rapport was good, classroom teaching was conscientious, strategies to cater for learners' diversity beyond lessons are varied and effective.
- To conclude, students support measures are far-reaching with clear objectives and customized for individual needs. The school upholds moral education to effectively nurture positive traits among students.
- In a nut shell, the students are polite, rule-abiding, eager for service and can make possible very encouraging academic results.
- Students can reap numerous awards and prizes for Outstanding Student and Leader Elections both on district-basis and territory wide, which is definitely an amazing achievement.
- The school recorded satisfactory performance in DSE for the last 3 years in a row.
