

2022/23 NON-CHINESE SPEAKING STUDENTS JOYFUL LEARNING GROUP NEWSLETTER ISSUE 3

WE ARE THRILLED TO SEE EVERYONE BACK AFTER THE CHING MING FESTIVAL. WE HOPE YOU ALL HAD RECHARGED YOURSELVES DURING THE PRECIOUS TIME OFF ! LET'S LOOK AT SOME OF THE EVENTS WE HAD BEFORE THE BREAK, STARTING WITH THE LIFE WIDE LEARNING DAY!

LIFE-WIDE LEARNING DAY

The school always seeks to provide learning experience where students can apply what they have learned outside the classrooms. On the Life-Wide Learning Day, our S.2 students attended the A.I. camp to learn more about the latest development of Artificial Intelligence. Our students relished the challenge to assemble a simple A.I. robot for garbage sorting.

VISITING SENSETIME OFFICE

We also visited an A.I. company called SenseTime. The students had the opportunity to try some of their products involving autonomous driving and facial recognition.

Students listened attentively while the staff was explaining the company's vision.

INTER-CLASS SPORTS COMPETITION

In collaboration with the school sports teams, we have organized the annual Inter-class Volleyball Competition. Our NCS students in 5.5 displayed excellent team-spirit and managed to come out on top. Congratulations to them!

5E triumphed over 5B in the final to clinch victory

BEST WISHES TO OUR S.6

Our 5.6 students had their last school day in March. The school bid farewell to them with a board filled with heartfelt messages from their fellow schoolmates, showing how proud we are to have accompanied them throughout their journey in secondary school. We wish them all the best as they prepare for their DSE exam.

6E students posing with the message board along with their class teacher Ms Chow

Activity	Date
Dragon Boat Festival Workshop	21/6/23
S4-5 Experiential Learning	7/7/23
S1-3 Experiential Learning	12/7/23
