Compo 1 – A Profile of Myself

Writer: 1A Amy Liu Kam Ho

My name is Amy. I am twelve years old. My birthday is on 17th August, 2003. I come from Holy Family Primary School. Now I am studying at Buddhist Wong Fung Ling College. I am playful and I like to see others smile. I am considerate and generous too.

At free time, I like painting, listening to music and playing ukulele. Painting allows me to extend my creativity. I listen to music to relax, especially when I'm in a bad mood. Ukulele is easy to play, and I learned how to play it on my own.

I like eating a lot of food, including Chinese cuisine, French cuisine, Korean cuisine and Japanese cuisine. I enjoy exercising because it can keep me fit.

My favourite teacher is my primary school English teacher, Miss Wong. She was very kind and caring to us. Although we were not good at English, she did not give up teaching us.

My favourite colour is black and white because black symbolizes devil and white represents angel. It is just like what my life is – it can be good or bad.

My dream job is to be a traveler because I want to go with friends and enjoy visiting different countries in the world. Through traveling around the world, I can understand other people's lives and cultures.
