Compo 4 – The Sports Day

## **Writer: 1A Jessica Chan Zhouling**

### **The Exciting Sports Days**

Our Sports Days were held on 22nd and 25th September at Siu Sai Wan Sports Ground. It was a rainy day. Although the weather was not good, everyone was very excited and looking forward to the competitions.

After Principal Lee gave a speech in the opening ceremony, the competitions officially started, and the athletes prepared for different events, such as long jump, 100 m sprint and relay. My friends, Paul Leung and Amy Lau, participated in the 100 m sprint, long jump and relay races.

Paul Leung finally won in the 100 m sprint and relay. He practised very hard for these events before the Sports Days. As for Amy Lau, she was the champion of the long jump and relay races as well as the first runner-up of the 100 m sprint. We were very happy for her and gave her a big round of applause.

Finally, the Sports Day successfully came to the end. All the prizes were presented by the Guest of Honour, Mr. Wong. The winners were very joyful and the other students were so cheerful.
