'Yeah! Finally we've arrived. My beloved gym room!' said Lucas. 'Farkel, aren't you excited?'

Farkel rolled his eyes at the thought of having to answer the question for the millionth time. 'No, Lucas. I've told you before. I hate sports!'

'Come on,' said Lucas. Then they walked to the treadmill area where their two other friends, Maya and Riley, were already there.

'Hi guys, can anyone tell me why I am here?' complained Maya.

'Seriously, my favourite machine in the gym room is the vending machine,' said Riley. The three of them stared at Lucas, just like they wanted to kill him.

'Why are you guys staring at me so hard? Gym exercise is easy! Let me show you.' Lucas said confidently as he stepped on the treadmill, turning the speed to the fastest. He turned his head around to talk to the three of them. 'You see. It's just a piece of cake. Now you need to start running like Ouch!'

'Be careful! Are you okay?'

'Oops!' screamed Lucas and also Maya and Farkel at the same time. Lucas fell down because he couldn't catch up the speed. The worst thing was his pants were rolled off by the treadmill.

'Aaaah!' The two girls screamed loudly as they covered their eyes in no time. Meanwhile Farkel was helping Lucas to get up. 'I'm... I'm fine.' said Lucas. 'Let's just go home.'

The next day when they met at school, Maya took out her phone and went to Youtube. She pressed on a video to show the others while she was trying to keep a straight face. 'Ouch..... Aaaah!.....' came out from the video. 'It's yesterday! Someone filmed it and put it on Youtube!' cried Lucas, feeling desperate.

'Ha Ha Haaaa', the others laughed so loud and hard.

'Please ... guys, I don't mind making jokes, but I don't want to look like one,' said Lucas, almost crying.

'But Lucas, the video got over a million views!' said Maya in surprise. 'It goes viral! You are famous now!'

'What... What? Am I?' Lucas was feeling amazed. At the moment, some people walked past them, pointing at Lucas.

'Is that Pantman?'

'OMG, it's Pantman!' the others whispered. Some of them even asked Lucas for pictures and autographs.

After the 'fans' were gone, Lucas was still thrilled. He shouted loudly, 'Aha! Now I'm famous! I'm Pantman now. Wait! What? Pantman?'
