

## Tom and The Girl

4C Wong Ying Xuan (15)

One day, there was a beautiful girl called Angela, who was transferred to Hogwarts School of Witchcraft and Wizardry. She was in class Divination.

When Tom met the girl, he fell in love with her at the first sight. But Angela didn't like him. She was just kind to everyone.

At lunch time, Tom bought a cup of coffee to Angela but she was talking to another handsome boy. So he was jealous, and he spread bad things about Angela at school, saying she was a bad girl.

Everyone looked at Angela with strange eyes, which made her very sad. So she was very angry when she learned that Tom had spread bad words about her at school. Tom was then cursed by Angela's dark magic for his misbehavior and turned into a fox.

It is easy to despise what you cannot have.
