

Postcard to My Parents

1D Calla Chan

Dear Mum,

How are you? I hope you are having a great time.

I have been at the Yonsei University, South Korea, for two weeks. I am having a wonderful time here.

In the past week, I was in Namyangju-si. I spent four days in my aunt's house. She was really kind to me. She brought us to some well-known food stalls too. The food there was tremendously tasty. I went to the concert of Blackpink. Although the queue to enter the concert hall was extremely long, it was awesome and enjoyable!

I would also like to tell you what my plan in the coming week is. Next Monday, I am going to Hongdae for shopping. Then, on Tuesday, I need to go on an educational trip to the Garden of Morning calm, which is part of my homework. Next Wednesday, I will go to Namsan Seoul Tower with my friends! Let me share with you my good experiences of eating Korean food. Right now, I am sitting on a comfortable chair, drinking a cup of hot chocolate and eating some desserts. The food is very crispy and I like it. I will also try some traditional Korean food next week!

Actually, I did not feel very well when I first arrived at South Korea, a country where I had never been to. Also, I wasn't able to make friends, as I didn't know how to speak Korean. Luckily, as time went by, I started learning how to speak Korean. I was then able to make a lot of good Korean friends! Everything went much better. Can you imagine how I am living somewhere I have never been to? Every day I go to a new place and meet new people... That's really tough but interesting.

Are there any souvenirs you want me to buy in South Korea? Please tell me in your reply email. I will look for them for you tomorrow.

I look forward to seeing you. I am going to take the flight MH530 to go back Hong

Kong. I will wait for you at the airport in the evening. Can you please pick me up then? Thank you for everything and I love you so much.

Love,

Calla
