Profile of Your Favourite Sports Star

4E Angelene (2)

My favourite sports star is Yuki Ishikawa. He was born on 11th December, 1995 and he is a Japanese professional volleyball player from Okazaki city. He's a member of the Japan Men's National Volleyball Team.

He is an outside hitter, a position in volleyball, with a height of 1.91m (6 ft 3 in).

In 2012, he won the Best Scorer in the Asian Youth Championship and won 3 awards for the best outside spiker in 2013, 2017 and 2019 individually.

Yuki Ishikawa is my favourite sports star because he has inspired me to join the volleyball team. He looks cool when he jumps and hits the ball. He is my role model.
