

The Pearl of East

By Chu Tze Lang, Aidan , 4A,6

The pearl of the east,
Sometimes comes with mist,
On the travel list,
A good place to visit.

The pearl of the east,
The nice view of the peak,
The night view of it,
A Roman place to seek.

The pearl of the east,
The food for you to feast,
More than you can eat,
The taste of it, taste so sweet,

The pearl of the east,
The traffic of it,
Day and night,
Non-stop like centipedes.

The pearl of the east,
Feel the nature's gift,
Mangrove forest lives,
Fresh air to breathe,
The pearl of the east,
The home of mine.
Even if I leave,
I will never forget it.
