## A Profile of Myself

Hi! My name is Lai Hoi Ying and you can call me Ivy. I am eleven years old and I am tall. My birthday is 19th of October. I am in class 1A. I graduated from TWGHS Li Chi Ho Primary School.

Let me tell you more about my family. My family has three members. My father is easy-going and my mother is friendly. We live in Stanley. I usually go to school by bus.

My hobbies are reading in the library because I can enrich my knowledge. I read books every day. Moreover, I also like making desserts with my mother because I like desserts. We make desserts once a week.

I admire my English teacher because my English is not good. She teaches me patiently. My favorite food is my homemade mango ice cream because no preservatives is added so it is healthy and delicious.

When I grow up, I want to be a fashion designer because I like designing new things. I want to say something to Miss Mui, 'Although my English is poor, please take care of me this year.'

Lastly, I think I am responsible but timid. It is because sometimes even if I have questions, I dare not ask teachers but just keep quiet. I want to be more outspoken.
