

Sports Day

By Lai Sum Ching (1C)

Today was our school Sports Day! There were many events like relay race, javelin, hurdles, shot put, high jump, 100m sprint and long jump.

It was very sunny and hot today. We were at Hammer Hill Road Sports Ground. There were many winners like 1A, 1C, 2A, 2E and 3E. Each class had many players.

I took a lot of photos and talked to many winners.

4E Jake joined the hurdles. He felt wonderful because he was the winner of S4. Alan in 1A joined the high jump but he lost the game. He felt very disappointed, but it was ok because he still had other events to participate in! So, there was no need to worry! Dave in 3A joined the javelin. He felt very excited before he went on and finally he won in other events!

Our classmates shouted very loudly to cheer for us. All classes cheered for their classmates. Everyone was excited.

I saw many ambulances come to the sports ground because many students were injured. And I saw many first-aid kits. Red Cross members were helping students to take a rest.

I spoke to many students. Most of them thought they had a joyful day! And they wished our school would have more events for students!
