

The Great Sports Day

By Mandy Chan (1C)

The Annual Sports Day, held at Hammer Hill Road Sports Ground on 10th November 2023, was fun and exciting. There were relay races, javelin, hurdles, shot put, high jump, long jump, 100m sprint, discus throw and 500m race for us to join.

On 10th November 2023, I joined the long jump, discus throw and relay race and they were all fun. It was very hot and many players felt sick after the event.

At the end of the day, my class got a bronze medal in the inter-class relay race. Class 1B got a gold medal in the cheering team competition, and Tommy in 5B won the overall championship and broke the school record.

This is an unforgettable Sports Day.
