Dear MTR,

Mahatma Gandhi once said, "The best way to find yourself is to lose yourself in the service of others." I want to express my heartfelt appreciation of the profound impact you have on my life and the countless memories you have enriched my journeys through the bustling cityscapes of Hong Kong.

The memories I have made while travelling on MTR with friends and loved ones are unforgettable. From impromptu adventures to spontaneous explorations, each journey has a tapestry of laughter, camaraderie, and shared experiences that have strengthened the bonds of friendship and created cherished moments that will last a lifetime. I am grateful for the opportunities you have provided me to witness the rich cultural heritage of Hong Kong through your beautiful stations and artworks.

I want to express my deepest gratitude to the Mass Transit Railway of Hong Kong for the indelible impact you have had on my life and the countless memories you have helped create. Because of your efficiency, reliability and connectivity, you have not only made my travels through the city a seamless and enjoyable experience but also enriched my understanding and appreciation of Hong Kong's diverse culture and heritage. Thank you for being a constant moment of joy, connection and discovery that I will always hold dear.

Love,  
Muna
