

A Postcard to My Family

by Hailey Ng 1E

Hey Mum!

I hope you're doing well! I'm having an amazing time in Tokyo with my friends during the winter holiday. The city is so wonderful and beautiful.

Yesterday, we explored the vibrant streets of Shibuya and took a selfie at the famous crossing. We also visited Asakusa to see the Senso-ji Temple, which was stunning with all the lights and decorations. The view was even better at night – it's so pretty and romantic. The food here is incredible too. We tried ramen, sushi, and even some street snacks such as takoyaki. It was all so delicious. My favourite is the ramen because the noodles were soft.

Today, we went to Harajuku to check out some shops. We visited a cat café that is very famous. There were lots of kittens! I found some cute and pretty souvenirs for you. We also enjoyed churros and vanilla soft-serve ice cream, which were the best treats to eat on a chilly day.

The night view from Tokyo Tower was amazing. I can't wait to share all the photos and videos with you when I get back. I miss you a lot, but I'm having a great time here.

Sending lots of love from Tokyo. I can't wait to tell you more about my adventures!

Take care and have a great time at home!

Love,

Hailey
