

## **1D15 William Leung Ka Chun – Writing a postcard**

Dear Cullen,

I'm having a great time here in Tokyo. Tokyo is the capital of Japan. It is one of the most popular cities in the world. There are lots of great shopping districts and restaurants. The people here are very nice and polite. It's wonderful!

At the moment, I'm writing this postcard at the Imperial Palace. It is now the beginning of spring, which is the best season to see the cherry blossom. It's amazing and unforgettable. We are having tea in the garden of the Imperial Palace now.

Yesterday we went to the famous Mount Fuji. It's Japan's highest mountain. It is very famous and it's the symbol of Japan. The view is beautiful. We took lots of photos at the hot springs there. I plan to have a hot spring bath at our hotel tonight. It must be fun and relaxing!

Tomorrow we plan to visit the Tokyo Disneyland. I am sure we will have fun with the rides and shows. I'm so excited! I will buy some souvenirs for you. After that, we'll go to a nice restaurant to have my favourite sushi dinner. I'm really looking forward to it!

I've taken lots of photos and done a lot of shopping in this trip. I'll show them to you when I get back to Hong Kong.

Bye for now.

William
