My Idol

My favourite idol is called Eminem. He is a famous rapper who has won a total of thirteen Grammy Awards so far and the Oscar for the 'Best Movie Song'. He is one of the best-selling singers, too.

He was born in St. Joseph, Missouri. When he was a kid, his father left him. When he was in high school, he always joined freestyle battles in rapping competitions, but he dropped out of school at the age of 17. Then he joined a band called "D12".

He has released a lot of songs and albums, such as 'Infinite', 'The Marshall Mathers LP'. My favourite songs are 'When I'm Gone' and 'Berzerk' because they clearly express his thoughts. Moreover, I listen to his songs to learn English.

He is very successful because his songs propagate no racial discrimination in the U.S. and a lot of people like his songs.

I admire him because his rap skills are good and his experience is miserable. I would like to know him more from his songs.
