

## 1D24 Walter Yip Ho Ching - Writing a postcard

Dear Jimmy,

I'm having a great time here in Hokkaido.

Sam and I are visiting lots of places and doing lots of shopping. It's wonderful! At the moment, I'm writing this postcard in a café. It's so sunny and cool today, so we're taking a walk near a pier. It's very good and relaxing.

Yesterday, we went to a lavender field. We saw lots of lavenders in the beautiful garden. We also tried the special lavender ice cream there. We thought that the taste was very unique. It's quite fun.

Tonight, we plan to go to Sapporo to visit the Jozunkei View Hotel to try the local Japanese food and the famous hot spring there. We are really looking forward to it! I've bought lots of souvenirs in this trip. I'll show them to you when I get back to Hong Kong. Bye for now.

Walter
