### Joyful Learning Group Newsletter (Issue 2)

22<sup>nd</sup> February, 2025

It is 2025 now, which means a new year has kicked off. Our NCS students have consistently performed well in various fields, embodying the "Fung Ling Spirit" throughout the past year. Let's take a moment to reflect on some of these memorable moments together.

### Blood Donation Day

Our NCS students are donating blood on Blood Donation Day. It is heartening to see their willingness to contribute to the local community and help those in need in Hong Kong. How generous and caring they are! Their kindness is greatly appreciated.

### The Teacher-Student Football Match

Various activities were held in the past academic year, with the most exciting being the Teacher-Student Football Match. The match not only enhanced the participants' physical and mental well-being but also boosted their team spirit. What a meaningful event they deserved!

# The Talent Show

**Everyone has their merits. The talent show has proven to be the best platform for demonstrating NCS students' talents and uniqueness. Those standing on the stage are the main characters. The outstanding performances of NCS students have provided a visual feast for all of us at school.**

## The Volunteer Award Scheme

**There is an old saying that goes, "Giving roses leaves lingering fragrance in your hands." Our NCS students actively participate in volunteer work, offering assistance to those in need through their practical actions. There is no doubt that they deserve this honor.**
