2020/2021 Notice to Parents No. A15_1e
Information about E-communication

Dear Parents,

In order to step up the channel of communication with parents, the School has introduced an e-communication system. Parents are urged to install myID Channel Plus application into their smart phones to enjoy the convenience of access to real-time notifications and sign-to-reply notices sent by the School.

The School is taking up measures to maximize the value of e-notice of the captioned application. Except for notices that include complicated options involve fee settlement or are only applicable to individual targeted students, all future notices will go paperless in the hope of reducing paper-waste for environmental protection. Most important of all, parents can keep abreast with the School's urgent and important announcements.

For parents who have difficulties in installing this e-communication system, the School would give due consideration and issue paper notice.

Please read and sign the reply slip and have your child return this to respective class teacher on 28th September, Monday.

Thank you for your kind attention.

Mr. LEE, Wai- shing
(Principal)

Reply Slip

(please submit the reply slip to class teacher on 28th September)

Dear Principal,
