Information about e-Information Day and Fung Ling Newsletter

Dear Parents,

The School holds Information Day every year to relate to interested parties the School vision and mission, curriculum features, campus facilities, students' learning and the latest development. In view of COVID-19, e-Information Day 2020 will be held instead for the sake of public health and safety. Parents may scan the QR code underneath to access the School website for this event that covers details like Learning and Teaching of the School, Students' Support, Virtual Campus Tour, etc..

To celebrate the excellent performances of our students, the School has also compiled the Fung Ling Newsletter 2021 for your reference, so as to extend our recognition for our students to take continuous effort to materialize Fung Ling Spirits.

Meanwhile, the School is making 28th November, 5th December and 12th December available dates for hosting the Pre-secondary Campus Tour Activity. Parents are cordially invited to attend with friends for better knowing of the School facilities and Pre-secondary Programme activities. Please scan the QR code at the bottom of this letter for application which works on First Come, First served basis.
