2021/2022 Notice to Parents No. A30_e
Information about "School-based After-school Learning and Support Programs"

Dear Parents,

In order to enrich your child's knowledge of foreign culture as well as enhance his/her socialization plus problem-solving skills, the School is organizing two events, namely "**Cultural Learning: Exploring British Culture**" and "**Experiential Learning**". The events are funded by "School-based After-school Learning and Support programme" endorsed by the Education Bureau. Students from S.4 to S.6 are invited to join.

The programme will be held from November to December 2021. Teachers from the Counselling Committee and our school social worker will jointly lead the activities. "Cultural Learning: Exploring British Culture" has invited graduates in famous London Universities and raised in the United Kingdom as programme mentors. The programme content includes topics like introduction of British history, understanding British food culture and customs. The "Experiential Learning" will take students on the "Hiking Adventure" and "Coffee Workshops". Students are expected to enhance their self-confidence, problem-solving skills and social skills through these activities. **Students can choose to participate in either or both activities.**

As this program is subsidized by the Education Bureau, your child **can be waived of the transportation fare and activity expenses** of the events. **Priorities will be given to students with financial difficulties.** Please refer to Appendix for the event schedule. Please encourage your child to seize the opportunity and participate actively. However, the number of places is limited. If the number of enrolments exceed number of places, the school reserves the right to final selection.

Successful applicants will be notified by confirmation letter at due time.

Mr. LEE Wai-shing
