2022/2023 Notice to Parents No. A13_e

Information about Resumption of Full-day Face-to-Face Lessons and the “Vaccine Pass” Arrangement

Dear Parents,

1. Information about Resumption of full-day face-to-face lessons

As per instruction from EDB dated 5th August, 2022 “Arrangements for Face-to-Face Classes for Schools in Hong Kong in the 2022/23 School Year”, when (i) all teachers and school staff directly employed by schools (both teaching and non-teaching staff included) have met the requirements of “Vaccine Pass”; and(ii) 90% or more of the total number of student population eligible to receive vaccination have received two doses of vaccine for more than 14 days, respective form(s) / the whole school can arrange for the full-day face-to-face lessons.

The School is able to meet the above requirement and hence, for the balanced development of our students and to cultivate sense of belonging, we are delighted to commence full-day face-to-face lessons from 7th September, 2022, Wednesday. Attached please find the time-table for your reference.

2. “Red Code”/ “Amber Code” Arrangement

Hong Kong Government regulated that, with effect from 9 August 2022, people confirmed of COVID-19 are categorised as persons with a “Red Code”, and inbound persons from overseas or Taiwan are categorised as persons with an “Amber Code”. Their QR codes of respective “Vaccine Pass” will be displayed in red or amber accordingly. Since students are exempted from using “Leave Home Safe” when entering the School premises, they have to take the initiative to declare their status in case of either a “Red Code” or an “Amber Code”. May we urge you to please pay attention to the following:

- Persons with “Red Code” (that is, confirmed cases) are not allowed to enter the School, this applies to all staff, students and visitors.
- Persons with “Amber Code” cannot remove their masks when participate in activities such as playing woodwind instruments, doing “contact” sports like football and basketball, etc. at school.
- Persons with “Amber Code”, both staff and students, can have their lunch ONLY at school.

In order that students can do their learning in a hygienic and safe environment, home-school cooperation is of utmost importance. We urge parents to step up on household hygiene and put into practice the following measures:

- Pay heed to your child’s daily medical condition, seek immediate medical advice if he/she develops symptoms, fever in particular, and call in sick to apply for sick leave.
- Take body temperature and RAT of your child every day before he/she leaves home for school and complete/endorse the record sheet, he / she can go to the School ONLY if the RAT result is negative.
- To guard against infection, please urge your child to wear surgical mask and bring alongside hand sanitizers and tissues whilst commuting between school and home.
- Parents should contact the School at 25779485 in the following situations so that the School

can take proper measures, as well as make sure your child **does not come to school when:**

- He/she is confirmed of COVID-19,
- He/she is defined as close contact of confirmed COVID-19 cases in accordance with Department of Health.

For further queries, feel free to call the school on 25779485 for class teacher of your child or Ms SIU Man-yee, the Teacher-in-charge of School Affairs.
