17th October, 2022

2022/2023 Notice to Parents No. A28_e
Information about Resumption of Full-day Face-to-Face Lessons Arrangement

Dear Parents,

1. Information about Resumption of Full-day Face-to-Face Lessons

As per letter from EDB dated 30th August, 2022 “Strengthening Health Precautionary Measures for the New School Year”, when all teachers and school staff directly employed by schools (both teaching and non-teaching staff included) have met the requirements of “Vaccine Pass”; and the number of students who have received three doses of vaccine has reached 90% of the total number of students of the school eligible to receive vaccination. The School is able to meet the above requirement and hence, for the balanced development of our students and to cultivate sense of belonging, we are delighted to continue the full-day face-to-face lessons from 1st November, 2022, Tuesday. The arrangement of the time-table is same as the attachment of A21_e parents’ notice.

2. “Amber Code” Arrangement

As per HKSAR Government guideline, if individual school staff and students are inbound persons and are required to undergo quarantine arrangements, even if they have received the required number of doses of COVID-19 vaccine under the prevailing arrangements of the EDB, they must obtain at least the “Amber Code” before returning to school to work and study during medical surveillance. The School staff / students concerned need to meet the requirement of obtaining a negative rapid antigen test (RAT) result before returning to school to work/study every day. Anyone with an “Amber Code” is not allowed to enter the school premises as a visitor (such as attending school ceremonies as a member of the public).

In order that students can do their learning in a hygienic and safe environment, home-school cooperation is of utmost importance. We urge parents to step up on household hygiene and put into practice the following measures:

- Pay heed to your child’s daily medical condition, seek immediate medical advice if he/she develops symptoms, fever in particular, and call in sick to apply for sick leave.
- Take body temperature and RAT of your child every day before he/she leaves home for school and complete/endorse the record sheet, he / she can go to the School ONLY if the RAT result is negative.

- To guard against infection, please urge your child to wear surgical mask and bring alongside hand sanitizers and tissues whilst commuting between school and home.
- Parents should contact the School at 25779485 in the following situations to notify Ms. SIU Man-yee, teacher in charge of School Affairs, so that the School can take proper measures, as well as make sure your child **does not come to school when**:
 - He/she is confirmed of COVID-19,
 - He/she is defined as close contact of confirmed COVID-19 cases in accordance with World Health Organisation.

In view of the volatility of the pandemic, the School promises to keep abreast with all related issues but also urge parents to pay attention to all announcements of the Education Bureau. The School will update parents through the School intranet and myID Channel Plus notices.

Last but not least, please be reminded that keeping your child away from crowds to minimize the risk of getting infected is of paramount importance. Let us work together for the soonest resumption of a normal and healthy life for all stake-holders upon recession of the pandemic.

For queries, feel free to call 25779485 for class teachers of your child or Ms Siu Man-yee, the teacher-in-charge of School Affairs.

Mr. LEE, Wai-shing
(Principal)

Reply Slip

(Please submit the application to class teachers on or before 20th October)

Dear Principal,

I acknowledge receipt of the 2022/2023 Notice to Parents A28_e concerning Information about Resumption of Full-day Face-to-Face Lessons Arrangement.
