Information about "Let's Shine Project"

Dear Parents,

In order to help nurture students' active and positive outlook as well as a self-disciplined servicing spirit, the School is running the "Let's Shine Project" commissioned by the Narcotics Division of the Security Bureau. It is also our aim to build a drug-free campus through preventive education.

The project is lasting for three academic years (from 2022 – 2025) and comprises two parts: "Personal Growth" and "Drug Test". The latter part is a voluntary programme administered by Integrated Centre on Addiction Prevention & Treatment of Tung Wah Group of Hospitals. A short video outlining relevant details can be referred to the following QR code for your reference.

Please submit the signed consent form to respective class teachers on or before 1st November, 2023
