Dear Parents,

Starting from second term, S.1 students are allowed to use calculators in Math lessons and tests/exams. The school is now making bulk purchase of Casio FX-50FH II calculators (pad-printed with the "H.K.E.A.A. APPROVED" label) at a discounted price of HK\$235 each, which will be distributed for use in the second term. Students may choose to buy their calculator either on their own or through school bulk purchasing. For those choosing the latter, please return the duly signed reply slip to the Math teacher on or before 13th September, the sum of which would then be debited from students' account on 18th September. **Please ensure the balance is sufficient for due payment.**
