2023/2024 Notice to Parents No. A17\_e  
Information about Preventive Measures of Influenza

Dear Parents,

Due to the severe cases of influenza infections in pupils and communities, the School has stepped up measures to clean the campus thoroughly at school. It is imperative that both teachers and students maintain personal and environmental hygiene. However due to the infectious nature of influenza, the School urges parents, apart from reinforcing household hygiene, to cooperate and act on the followings:

1. Pay attention to your child's physical conditions, if there are respiratory symptoms or **fever**, please take your child to the doctor and follow their advice on whether or not your child should return to school;
2. Refrain from school when having symptoms of influenza until recovery;
3. To prevent infection, please remind your child to:
  - Wash hands frequently with liquid soap and water, avoid touching their mouth, nose or eyes;
  - Do not share towels or cutlery with others;
  - Put on a surgical mask when having respiratory symptoms to minimize chances of transmission;
  - Maintain personal hygiene, cover nose and mouth when sneezing or coughing, and wash hands thoroughly afterwards.

  
Mr. LEE Wai-Shing  
(Principal)

Reply Slip

(Please submit to the class teachers on or before 21<sup>st</sup> September, 2023)

Dear Principal,

I hereby acknowledge receipt of Notice to Parents 2023/2024 A17\_e regarding the information about preventive measures of influenza. I will work with the school to ensure the health of my child.
