Information about Parent Education Programme for NCS Parents

Dear Parents,

Non-Chinese Speaking (NCS) students may face various challenges during their personal growth, such as coping with academic pressure, overcoming the language barrier etc. In order to prepare them for further studies and work, the school has advocated the importance of early exposure to and learning of Chinese for your child. The Education Bureau (EDB) is offering a series of education talks and events for parents. The aim is to inform parents of the multiple pathways available to their child and to enhance the communication between parents and schools. For programme details, please refer to the Appendix.

If you have any enquiries, please feel free to contact Mr. LAM Yee-chuen at 2577 9485 or Mr. MA Siu-ming at 5106 5599.

Mr. LEE, Wai-shing
