TOGETHER WE MAKE A BETTER FUTURE

Our school actively establishes sisterly relationships with other schools to expand the network support. In June, Principal Lee Wai Shing signed an agreement with two schools in Dongguan to form a sisterly relationship. Our school network currently includes: Dongguan Songshan Lake Experimental Middle School, Dongcheng Junior High School and Dongcheng No. 1 Middle School. The School actively hosts exchange visits with our sister schools to let teachers and students learn more about Chinese culture and development. The School also held Writing Contest of Study Tour to let students record and share their exchange experiences.
