## Achievement of School

The number of awards from athletics, basketball, football and volleyball over the last three years was amazing, amounting to more than 200 ranging from champions, 1st runners-up to 2nd runners-up in various territory and inter-school levels of competitions. Distinguished prizes from School Speech Festival in both Chinese and English categories excelling at more than 300 is another exceptional achievement of the school.

The best individual result of DSE was 7 stars in 6 subjects with 36 marks in total. The school is recognized as a high-value school with a positive level in 7 both the 4 core subjects and 5 best subjects.

# School Information Day

Parents and children are cordially invited to join our Information Day to learn about the school vision and mission, curriculum highlights and school facilities through an enjoyable learning experiential tour.

STEM activities constitute the theme of Information Day. Examples include 3D Printing Workshop, Fast and Furious All Wheel Drive(AWD), Robot Workshop, MIU Aerial Photography, etc. Apart from those, booths to display learning accomplishments by various subjects and committees are well in place for participants to get hands-on experience with our featured-teaching and focus of development.
