This school year began early in summer as students had fun in a series of bridging programs like visiting the Peak and going Yum Cha to experience the traditional culture of Hong Kong and China, which marked the start of a glamorous year with so many more yet to come.

Incredible pictures of tourist attractions taken at the Trick Eye Museum at the Peak!

The Joyful Learning Group also provided after-school tutorial classes and revision sessions for NCS students to assist them with their homework and revision for the Uniform Tests.
