

Buddhist Wong Fung Ling College 2019/2020 Non-Chinese Speaking Students Joyful Learning Group Newsletter (Issue 2)

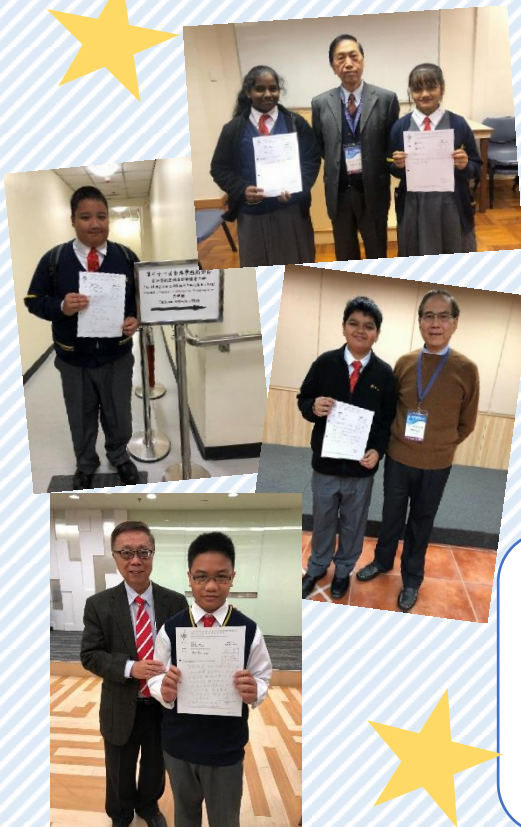

29th June, 2020

The virus outbreak has made it a challenging year for all of us. Despite the long period of class suspension, we are still able to spend some quality time at school together and have some precious memories this year. Let's look at some of the highlights of the year.

Eager to Learn

Some of our NCS students joined the 71st Hong Kong Schools Speech Festival. With the help of professional instructors, they spent hours refining their performance from pronunciation to facial expression to body gesture. Their excellent performances were highly appreciated by the adjudicators as shown in the result below.

Learn about Chinese Culture

In order to expose our NCS students to Chinese culture, we have invited a tea-making expert to share her expertise and teach us the history of tea. Besides, the school also held a lantern riddle quiz and moon cake tasting during Mid-Autumn Festival to enrich the festive atmosphere!

Be Self-disciplined and Rule Abiding

We have organized a variety of activities for our students. One prime example is the moral training camp. It is designed to develop their self-discipline and leadership through a series of group activities. The camp was a bittersweet experience as students had to do household chores and run physical training under the burning sun. However, their happy faces below are proof that it is all worth the effort.

Sports Day

Our NCS students were all excited about Sports Day! All the athletes and the cheering team were showing wonderful team spirit and sportsmanship throughout the days. Not only did they earn glistening medals, but also precious friendship!
