

Buddhist Wong Fung Ling College

2018/2019 Non-Chinese Speaking Students

Joyful Learning Group Newsletter (Issue 1)

7th November, 2018

Welcome all freshmen! We are excited to have you join the Fung Ling family. In order to help the incoming NCS to adapt to their secondary school life and Hong Kong culture, the NCS team has hosted a series of summer activities. Let's have a sneak peek of the jolly moments!

FUNG LING SPIRIT: EAGER TO LEARN

Artistic day in Tsim Sha Tsui. Look at their smiley faces at Hong Kong Museum of Art!

Orientation Activities

All NCS joined a day tour around Tsim Sha Tsui, in which they visited the Hong Kong Museum of Art and went "yum cha". Students also visited the Oi! Museum to learn about the history of Hong Kong through modern art pieces the next day.

Yum cha! Shao mai anyone?

Fun day at Oi! Museum

Bridging Course

The school has set up a 5-day bridging course to prepare the new comers for secondary school. They had a taste of a secondary school life with lessons of 6 main subjects, including Chinese, English, Math etc.

Students were introduced to a variety of after-school activities, like Taekwondo class, scouts, Red Cross etc

Students are having a group discussion about their social life.

Take Part & Get Involved

Sports Day

It's Sports Day! Students were all excited for it by showing wonderful team spirit and sportsmanship throughout the days. Not only did they earn some glistening medals, but also precious friendships

Cheering for the class!

Look at all the proud faces and trophies they got!

Meet the S.1 4X400 champion!

Team spirit is the key! Kudos to everyone who put the event together!

Learning about Chinese Culture

Tea tasting is one of the most essential parts of Chinese culture. Therefore, the School has invited a tea-making expert to share her expertise and teach the history of tea. The school also had lantern riddle quiz at the playground during Mid-Autumn Festival to enrich the festive atmosphere!

Students learnt about the history of tea and tea brewing technique at school.

Students are solving riddles written on lanterns.
